

GEN CON 2017

August 17-20, 2017 | Indiana Convention Center | Indianapolis, IN

APPENDIX A **Exhibitor Rules and Regulations**

This document supplements and applies to Gen Con 2017 Exhibitor Application Form.

A. Official Representation

To be considered an exhibiting manufacturer for the purposes of this policy, a company must comply with either one or both of the following requirements:

1. Be registered as an official exhibitor with Gen Con LLC show management (also referred to herein as “Show Management”), by completing an Exhibitor Application Form, and making required payments.
2. Secure a sponsorship contract conferring exhibitor status inclusive of this policy document.

B. Booth Sharing

General

1. Exhibiting companies may share booth space with other organizations pending Show Management approval. The primary or “host” company is responsible for completing a separate application for each guest or “share” company and for the payment of all booth fees and associated costs. Share companies will receive an allotment of exhibitor badges (two), and a listing in the Official Gen Con Show Guide.
2. Exhibitors are not permitted to assign, sublet or share any part of their exhibit space without the approval of Show management.
3. Companies that are sharing booth space must have at least 100 square feet per company sharing in order to be eligible for event space rental and sponsorships.
4. Shared booth space must be contiguous with the primary company’s booth placement. For primary companies with multiple separate booth spaces, the primary company must occupy at least 50% of the footprint of each discrete booth division. Please email exhibitors@gencon.com if you need help with this issue.

c. Booth Space Assignment:

1. All space is assigned solely by Show Management. While show management will attempt to accommodate exhibit space requests, show management reserves the right to modify the floor plan to serve the best interests of the event. Such a modification does not relieve exhibitor of contracted liability. Show Management’s decisions about exhibitor space assignments are final and binding.
2. Booths are placed in the following order:
 - a) Co-Sponsor Placement. If there are multiple Co-Sponsors, then the Co-Sponsors will be placed in priority points order from highest to lowest. If multiple Co-Sponsors have the same number of priority points, then Co-Sponsors will be placed in order application was received, by date. Final tiebreaker is alphabetical by most recently used exhibiting as name.
 - b) After all Co-Sponsors have had their booths placed, next, companies that have priority points will be placed in order of priority points ranking, from highest to lowest. This only applies to companies with priority points which complete an application and deposit on or before the current year’s rebooking deadline (January 13, 2017 for Gen Con Indy 2017). If multiple exhibitors have the same number of priority points, then when it is time for those exhibitors at that tier of points to be placed, they will be placed in order application was received, by date. Final tiebreaker is alphabetical by most recently used exhibiting as name.
 - c) After all above-listed exhibitors have received booth placement, then all remaining exhibitors are placed in order application was received, by date. If multiple companies have the same

application receipt date, then their placement order will be chosen at random from among all companies that booked on the same date.

D. Cancellation Policy

1. Cancellation by Show Management: If an exhibitor fails to comply with the payment terms as outlined in this application, or fails to adhere to the rules, regulations and/or policies set forth in this application, Gen Con Show Management reserves the right to cancel exhibit space without issuance of a refund.
2. Cancellation by Exhibitor: Exhibitors wishing to cancel an exhibit space reservation must provide show management with the request for cancellation in writing. Cancellation of space will result in the forfeiture of all monies previously paid to Gen Con. Exhibit space costs will not be refunded.
3. Gen Con Show Management may reassign or resell any cancelled space, at its sole discretion, regardless of previously paid exhibit costs.

E. Exhibitor Badges

1. Exhibitors are allotted two exhibitor badges for every 100 square feet of contracted exhibit space.
2. Official share companies are allotted two exhibitor badges per company regardless of the amount of space they occupy within the booth of a host company.
3. Badges are created through Gen Con's registration system at <http://www.gencon.com>. Exhibitors must use this registration system to create badges. Gen Con staff will communicate instructions for use of badge allocation during Q2 of each year.
4. Badges beyond the allocated number of complimentary allotment are available at the cost of a general 4-Day badge.
5. Badges entered into the registration system after June 1, 2017, may be subject to later availability onsite at exhibitor HQ, as they will be created onsite. All exhibitor badges will be available for pick-up at the Exhibitor Services desk on-site at the convention center located outside of the Exhibit Hall. Badges will not be mailed prior to the show.

F. Equipment Provided

1. Each 10x10 space is allotted one eight-foot skirted table, two folding chairs, and one wastebasket.
2. Peninsula or island booths are allotted one 8-foot skirted table, two folding chairs, and one wastebasket per 100 square feet of space.
3. If you have secured a peninsula or island configured exhibit space, and you intend to utilize your complimentary furniture allotment, you must specifically make the request of the official Show Decorator, George E. Fern Company.

G. Exhibitor Convention Policies

Gen Con LLC must enforce certain policies, impose rules and regulations, and set standards for Exhibitors in order to ensure a safe, equitable, and successful Gen Con.

H. Security

Uniformed and undercover Exhibit Hall security personnel will be present during all hours of the show and after hours; however, Gen Con LLC is not responsible for property loss, so please arrange your exhibit to discourage shoplifting. Show Management strongly encourages all exhibitors to take reasonable precautions to prevent theft and damages. If an incident occurs, please inform staff at the Exhibitor Services booth immediately.

I. General Rules and Regulations

1. Handbill distribution is permitted only within the exhibiting company's booth or at exhibitor sponsored events. No material may be posted on convention walls, fixtures, or furniture. Violators are responsible for all fees and damages incurred from the removal of such postings.
2. Adhesive stickers are prohibited in the Convention Center. Exhibitors are liable for all costs and expenses associated with sticker removal.
3. Absolutely no selling, soliciting, or handbill distribution is allowed outside of rented booth spaces, unless such a distribution has been secured through an official Gen Con Event Marketing

Program or Sponsorship. Violators will be removed from the convention. In the case of violating exhibitors, the exhibitor and all employees will be removed from the convention.

4. Exhibitors must comply with, and be bound by, all laws, ordinances, and regulations of the country, state, county, city, facility, and, whenever applicable, police and fire departments.
5. Authorized company representatives must staff exhibits during all exhibit hall hours.
6. No exhibitor or member of an exhibit may promote, display, or behave in a manner considered offensive to decency or good taste as determined by Show Management.
7. Demonstrations and all other activities must be confined to the limits of exhibitors' booths. Aisles may not be obstructed at any time. Exhibitors may not conduct activities of any kind that lead to congestion of aisle traffic.
8. Music may not be played without the proper license of copyrighted music. Volume must be appropriate as determined by Show Management.
9. Attendees and exhibitors are expressly prohibited from carrying weapons and/or weapon replicas. Weapons on display must be secured to tables or display for safety. Weapons purchased in the Exhibit Hall must be safely contained or packaged by the seller in such a manner that all edges are covered securely, and the purchaser must remove purchased weapons from the convention site to a safe location (hotel room or vehicle) at his or her earliest opportunity.
10. No one will be allowed into the Exhibit Hall during closed hours. All needed items and valuables must be taken with the exhibitor before the Exhibit Hall closes each evening. Exhibitors will be allowed into the hall one hour before Exhibit Hall opens and may stay up to one hour after it closes.
11. Show Management prohibits the sale and/or use of games of chance. Games of chance are defined as games in which a fee is paid specifically for the opportunity to receive an item of interest or value. Games of chance are permitted only as a free promotion or giveaway. Under state law, raffles are illegal unless they involve an element of skill. In other words, you can't give every customer a ticket for a chance to win a prize unless there is an element of skill involved with each ticket, such as answering a question correctly. Violators will be issued a warning to cease such activities, after which further violation may result in removal from the convention.
12. Drug paraphernalia, consisting of equipment, product, or material that is manufactured or modified for making, using, or concealing illegal drugs, is prohibited at Gen Con and may result in removal from the convention.
13. The removal of exhibits and materials prior to the official close of the Exhibit Hall will not be permitted. Exhibitors must remain present and open until closing on the final day. Exhibitors conducting an early teardown will be fined \$500.
14. No children under the age of 15 are allowed inside the exhibit hall during set up or tear down including Tuesday, Wednesday and after the show closes on Sunday.

J. Banner and Display Standards

1. All exhibit decorations must meet fireproof standards and city fire ordinances. Applicable certification must be presented upon request.
2. Electrical equipment and wiring must conform to national and local electrical codes.
3. Corrugated & packaging boxes cannot be used as displays. Box displays must be shelf-ready product packaging, and not shipping boxes.
4. All exhibit displays should be designed and erected in a manner that will withstand normal contact or vibration caused by neighboring exhibitors, hall laborers, or installation/dismantling equipment, such as fork lifts. Displays should also be able to withstand moderate wind effects that may occur in the exhibit hall when freight doors are open.
5. For any company whose booth includes constructed elements of greater than eight feet of elevation, the company must submit plan view (top-down view) and elevation view (view from the front, showing height) designs to Gen Con's exhibitor team at exhibitors@gencon.com. Plans must be received on or before June 1, prior to that year's show. Constructed elements cannot be higher than 22 feet.
6. All exhibit features and components exceeding eight feet in height must have drawings available for inspection by Show Management, the installation and dismantling contractor, and government authorities during the time the exhibit is being erected, exhibited, and dismantled at the show site.

7. Gen Con staff will review plans for policy adherence. Such approval is in no way an engineering review.
8. Banner and sign hanging is closely regulated by the facility. There are specific restrictions to the types of signs that may be hung from the ceiling, as well as to the electrical connections required to power them. There will be order forms included in your decorator packet that require specific information concerning shipment, freight assignment, etc.
9. Companies with booth dimensions 20' x 20' or larger, in an island or peninsula configuration, may hang rigged banners from the ceiling. Rigging orders are placed through the Indiana Convention Center. Exhibitors must submit images of their banners to exhibitors@gencon.com for approval. Banners rigged from the ceiling must be 12 feet when measured from the Exhibit Hall floor to the bottom of the banner and no higher than 22 feet from the floor to the top of your banner. If banner does not follow these guidelines Gen Con will have it taken down at exhibitor's expense.
10. For companies in 10' x 10', endcap or peninsula booths, any banners or graphics that are visible above the 8' pipe & drape in your booth or banner must be single sided with a finished back that faces the neighboring booth. In other words, you can't have your brand images or logos appearing in someone else's booth, by using double-sided banners above the back of your booth.
11. For companies with booths sized less than 20'x20', displays cannot be higher than 12 feet.
12. Displays and activities must be designed so that they do not block or reduce the flow of traffic. This is a fire and safety consideration that both Show Management and the Convention Center will enforce.
13. Full cubic content booths
 - a) Booths that build out to the edge of the assigned space must not have any items extending over the aisle.
 - b) Companies using a full cubic content type booth must conduct any sales and demonstrations from inside the footprint of the booth, and may not position staff in the aisles, except for management of attendee queues.
14. Event Hall Banners must follow dimensions listed in the Event Host Policy.

K. Infractions

1. If the standards, rules and regulations from above are not followed in any manner, Gen Con will issue a written warning. If infraction is not corrected, a penalty will be issued. Penalties may include: loss of priority points, a monetary fine and/or suspension from exhibiting at future Gen Con conventions.
2. Damage to the convention center or harm to person's onsite will not be issued a warning, instead a fine or lawful action will be taken.

All insurance policies must cover the full period Exhibitor occupies of the facility, including installation and dismantle operations.
3. Exhibitor's *general liability* policy shall include "Gen Con LLC, and its board of directors, officers, employees and agents" as additional insured parties with respect to the contractual liabilities assumed by Exhibitor in accordance with Gen Con's Exhibitor terms of service as represented herein.
4. Exhibitor and its contractors shall furnish Gen Con with certificates of required insurance no later than the stated insurance deadline for the convention, which shall fall approximately ninety (90)

days prior to Exhibitor move-in. Should Exhibitor fail to provide satisfactory certificates of insurance by the deadline, Gen Con will have the right to insure the exhibitor's booth and operations and assess the Exhibitor related administrative fees or cancel the Exhibitor contract without refund, at its sole and absolute discretion.

The final cost of all exhibit space is determined by the postmarked date of the final and full remittance. All booths must be paid for in full a minimum of thirty days before the start of the show. Failure to pay in full prior to thirty days before the start of the show will result in the release of your booth space and the forfeiture of your deposit.

Causes for cancellation or closure may include, but are not limited to exhibits, activities, or materials being deemed hazardous, objectionable or offensive in nature or deemed in violation of applicable laws and ordinance, third-party legal rights, convention policies, and/or facility rules and regulations. Any exhibit, activity or materials deemed to have caused injury or damage to the convention and hotel facilities, Gen Con equipment and

brand, and/or Gen Con attendees and their personal property will be cause for immediate cancellation and closure at Gen Con LLC's sole and absolute discretion.

8.
