WELCOME!

A LETTER FROM PETER ADKISON

Friends,

Welcome to Gen Con 2019! Every year, as I arrive in Indianapolis to join tens of thousands of gamers flocking together to celebrate their love of tabletop gaming, I'm reminded of how special this hobby and the people who share it with me truly are.

We all know the feeling: Meeting new people and seeing old friends, entering enormous rooms full of games and gamers, learning something new or sitting down to something familiar; the feeling, wherever you've come from, of arriving home.

No matter what type of gaming you love, we have it here at Gen Con. Miniatures, war gaming, roleplaying games, card games, board games, LARPs, video games, and more – if there's something you love to play, chances are you can meet other people who share your interest here at Gen Con.

I'm proud of our 52-year legacy of gaming tradition, and I love seeing where gaming will take us in the future. Bolstered by a larger and more diverse audience than ever before, and connected by digital technologies that make it more accessible for everyone, the future of tabletop gaming is bright.

Launched at Gen Con 2018 to great success, our livestreaming channels on Twitch will broadcast live gaming, special events, and game previews and interviews with designers, so folks around the world who can't make it to Indianapolis can follow along at home. If you find yourself with some spare time, tune into one of our livestreams from around the convention on twitch.tv/gencontv!

And for the other 361 days of the year, you can relive the show through on-demand video on YouTube. Join us live on Twitch for our year-round Gen Con TV streaming programs, including live gaming, tabletop gaming news and interviews, and more!

Lastly, and without further ado, I welcome you this year, and every year, to join us for The Best Four Days in Gaming!

Game on!

IMPORTANT INFO

GEN CON BADGES

WHY DO I NEED A BADGE?

Everyone attending Gen Con (excluding children ages 10 and under) must wear a valid Gen Con badge at all times for identification while in the convention center and surrounding hotels and during game play/events. A badge will allow you admittance into the Exhibit Hall, Art Show, Anime events, seminars, and other events happening in public areas during the convention. It is also needed to purchase tickets for events. Badges must be visible at all times to assure staff and security of your eligibility to participate in the show. (Gen Con does not offer parent badges, shopper badges, or other types of limited-access, discounted badges).

CHILDREN 10 & UNDER

Children, ages 10 and under, are admitted for free when accompanied by an attending adult and must be registered in the Gen Con children's log for security purposes. They are not required to have a badge unless they will be participating in an event that requires an event ticket. Come to the Badge Registration kiosks to register your child and provide us with your contact information in case you and your child are separated. You will receive a wristband which must be attached to your child's wrist while in the convention center and surrounding areas where you are participating in Gen Con events. All children must be accompanied at all times by a Parent or Guardian with a valid badge. Children ages 11 and above are subject to standard badge pricing.

PAYMENT

Gen Con accepts cash or credit card (Visa, MasterCard, Discover, and American Express) as payment. Checks and money orders are not accepted at any time. A 10% admissions tax will be charged on all badge purchases, in compliance with Marion County laws.

REGISTRATION POLICIES

**For onsite refunds or exchanges, please visit the Customer Service kiosks.*

BADGE REFUNDS/EXCHANGES

The last day to receive a badge refund was June 16, 2019. Badges are non-refundable and non-transferrable after the deadline.

EVENT TICKET REFUNDS/EXCHANGES/CANCELLATIONS

Event-specific ticket refunds/exchanges must be requested at least 30 minutes prior to the start of the event. All refunds will be managed at the Customer Service kiosks and will be refunded to the purchaser. All ticket refunds are subject to a 5% administrative fee for the total sum of tickets refunded. A valid government-issued photo ID and a Gen Con 2019 badge are required to process any type of ticket refund or exchange. All refunds will be credited back in the original form of payment. For ticket exchanges, please present the ticket for the event you would like to exchange and provide the Game ID number for the event you wish to purchase.

If an event has been cancelled, please see a nearby Event HQ for further instructions. **No refunds will be given for cancelled events without a stamp or signature from the area's Event HQ.** The last day to receive a ticket refund is 4 pm on the Sunday of the convention.

GENERIC TICKET REFUNDS

Generic tickets are only refunded to system credit. There is no cash or credit card refund for generic tickets. System credit is non-refundable, non-transferrable, does not expire, and can be used to purchase badges or tickets for any future Gen Con. All ticket refunds are subject to a 5% administrative fee for the total sum of tickets refunded. Ticket refunds will be managed at the Customer Service kiosks and will only be refunded to the purchaser. A valid government-issued photo ID and a Gen Con 2019 badge are required to process any type of ticket refund onsite. The last day to receive a generic ticket system credit refund is the Sunday of the convention, no later than 4 pm.

LOST OR MISPLACED BADGES & EVENT TICKETS

Gen Con cannot replace lost, stolen, or forgotten badges or event tickets. Lost, stolen, or forgotten items must be repurchased at full cost. It is recommended you check with the Gen Con Show Office in **Room 116** of the convention center to see if your materials have been turned in to Lost & Found before buying new materials. Gen Con LLC assumes no responsibility for lost, stolen, or forgotten materials. To repurchase your items, go to the Customer Service kiosks in the Main Registration area.

If your shipment is confirmed to be lost by the USPS, Gen Con will replace your convention materials at no cost to you. Gen Con cannot replace items that have been delivered.

ELECTRONIC TICKETING

HOW DOES E-TICKETING WORK?

E-Tickets are purchased the same way as paper tickets, but they will not be shipped to you or picked up at Will Call. Instead, they are stored in your Gen Con account and associated with your Gen Con badge. Event Hosts will admit you by scanning your badge rather than taking a paper ticket. A receipt, confirmation email, or tickets that are paper are not E-tickets.

IS E-TICKETING OPTIONAL?

For 2019, we are only using E-Ticketing with a select group of event organizers. Specific events will be designated as E-Ticketed only. There will be no option to get paper tickets for these events.

DO I NEED TO HAVE A SMARTPHONE TO USE E-TICKETING?

Nope! As an attendee all you need is your badge. Event organizers will use a smartphone or other device to scan your badge and redeem your E-Tickets.

HOW DO I GET E-TICKETS?

E-Tickets are purchased the same way as paper tickets, but they will not be shipped to you or picked up at "Will Call." Instead, they are stored in your Gen Con account and associated with your Gen Con badge. A receipt or confirmation email is not an E-Ticket.

REGISTRATION & CUSTOMER SERVICE

WHAT IS REGISTRATION?

Registration covers all processes associated with attending the convention, obtaining badge credentials, and purchasing event tickets. Registration offers four services: Event/Badge Registration, Customer Service, Special Services, and Will Call. The Main Registration kiosks are located in the convention center's Wabash-East Concourse near the Maryland Street entrance. There are also a few remote Event Registration sites, located in Hall A, Hall C, the JW Marriott, and Lucas Oil Stadium. Each service area is clearly marked for your convenience.

EVENT REGISTRATION

Event tickets can be purchased onsite at the Event Registration kiosks located in the convention center's Wabash-East Concourse near the Maryland Street entrance or at Event Registration kiosks in Hall F and the Marriott (Indianapolis Marriott Downtown, 350 West Maryland Street). See the Area Hotel Maps for specific locations. Gen Con accepts cash and all major credit cards (American Express, Discover, MasterCard, and Visa). Gen Con does not accept checks or money orders.

CUSTOMER SERVICE

Refund and exchange requests or questions regarding the convention or show policies can be directed to Customer Service. These kiosks are located in the convention center's Wabash-East Concourse near the Maryland Street entrance. Refunds or exchanges will *only* be processed at the Customer Service kiosks. Event-specific ticket refunds/exchanges must be requested *at least 30 minutes* prior to the start of the event. All refunds will be issued back to the purchaser of the original ticket(s).

SPECIAL SERVICES

This kiosk is located next to the Customer Service kiosk. Disabled patrons may use this kiosk for their one-stop registration needs. Will Call pickup, badge and event ticket purchases, and refunds or exchanges can all be made at this location. Customer Service will also have special wristbands to alert staff and event team members that the bearer may need additional assistance (i.e. limited waiting in line, etc.). A wristband is required in order to receive special assistance.

WILL CALL

If you purchased a badge or event tickets during Registration and selected Will Call as your shipping method (or if you purchased items online after Registration closed), you may obtain your items at the Will Call kiosks, located in the convention center's Wabash-East Concourse near the Maryland Street entrance. You will need to present a valid government-issued photo ID in order to obtain your packet. Small children with no photo ID must be accompanied by a parent or guardian with a valid ID in order to pick up their packet. Please keep in mind Will Call lines and wait times may vary.

CHILD REGISTRATION

All children ages 10 and under must be registered at the Event/Badge Registration kiosk. Registering your child provides the Security Team with contact information in case you and your child become separated. Be sure to register your child and pick up a child wristband when you arrive at the show if you have not already done so.

Late December 2013, after long days and nights spent in his workshop, Danish carpenter Mikkel Bertelsen had something truly unique in his hands – a wooden board game with magnets which one steers under the board. Just in time for the holidays, he made a few copies of the game to give as Christmas presents to some of his friends. Soon after, the word spread through the country and orders started to pour in. The following year Mikkel built more than 3000 copies of the game in his garage. KLASK was featured on national TV and awarded a special prize in the Danish Game of the Year competition. KLASK is like an action-packed tabletop version of Air Hockey, only it uses multiple magnets and a small round ball. The game is small enough to fit on a table top but large enough to withstand intense, competitive gameplay. KLASK – do you have what it takes?

Entrepreneurs' Avenue Booth #2965

In a forgotten corner of the world there is a deep cave where a hammer rings on metal. The sound of the forge forms the rhythm for everything happening below. In the bowels, blind artists daub murals in the dark whilst sculptors, working by touch alone, form monsters from the wet clay. Madmen babble ludological absurdities and inch by inch something coalesces in the inky blackness. For years it has grown, feeding on the cave dwellers, gorging itself on their minds. Now it is full grown, mature, dangerous! It knows there are many minds beyond the cave mouth, now to find them. It is ready to claw its way out of the cave. It is ready to be seen. For the first time the continent will experience what emerges from the shadows. A monstrous game like nothing else.

It started the way all good stories do.

Not too **8** ago, a Gen **7** attendee—one just like you, in fact—**9** in line to pick up some generic **10**. She idly flipped through her program book, day **4** about the adventures she had planned for the Best **1** Days in **12**. Her eyes caught on a particular page, illustrated with fancy curlicues and a puzzle. Something seemed...off. Little **11** she know she had stumbled upon a secret that would lead her to discover an ancient code, infiltrate a hidden cult, **2** save **13** Con as we know it. So begins her story. We invite you to follow her tale and reconstruct what **6**, solving the same **5** she faced. Good **3** on your quest!

The Puzzle Hunt at Gen Con

Welcome to the Puzzle Hunt at Gen Con! Follow along with the story by finding the twelve puzzle placards scattered around the Convention Center. Come to Puzzle Hunt HQ, and for every four puzzles you solve, receive an entry into a drawing to win one of **ten free badges for Gen Con 2020!** Put your answers in order, and use the following clue to find your final quest: "Just as all stories have a beginning and end, so too do your answers." And if you want more puzzling challenges, there are additional puzzle packs available for one ticket each. Each puzzle pack offers more puzzles, and more story.

For the nineteenth year in a row, the Diana Jones Award for Excellence in Gaming celebrates everything that's the best about gaming. That can mean a game system or supplement, a magazine, a company, a designer, an event or convention, or any other entity that shows gaming at its absolute zenith.

The announcement of the Diana Jones Award winner is one of the first events at Gen Con. During the months before the show, the Diana Jones Award Committee – a mostly anonymous group of gaming alumni and illuminati from around the world – begins discussions about the best and brightest from adventure gaming in the previous year. After much playtesting, conversation, and voting, the committee's nominations are whittled down to a shortlist, which is the cue for more discussion and voting until a single winner is declared.

At a private event held the Wednesday before Gen Con begins, winners receive the traveling Diana Jones Award trophy, a perspex pyramid containing the burnt remains of the last unsold copy of TSR's *Indiana Jones RPG* from 1984. To find out why the trophy takes this unusual form, visit DianaJonesAward.org.

The award was set up in the year 2000, with the first trophy given out at Gen Con 2001.

GETTING STARTED

Welcome to Gen Con 2019! This year, there are more than 500 booths to explore in the Exhibit Hall, over 18,000 events over the course of the weekend to participate in, and just about 70,000 other people joining you for The Best Four Days in Gaming™!

If you're here for the first time, we understand that the number of things to do and places to go can leave you feeling a little stunned. There's always something to play, discover, or watch at Gen Con! We hope that this Program Book can serve as a handy "players guide" to the convention. You'll find that the following pages are grouped into three categories:

GAMING

PROGRAMS & EVENTS

PLACES

On the **Gaming** pages, you will find the types of games you can play at Gen Con, and where to go to participate in them. Whether you're into RPGs, card games, board games, minis, LARPs, megagames, or just want to see what's new, there's something for you in the Gaming section!

On the **Programs & Events** pages, we've included all the things to do and see that aren't strictly gaming but are still a ton of fun. Did you know that you can make chainmail, learn to swing dance, attend a film festival,

pick up prints from amazingly talented artists, and go on a local brewery or winery tour from now until Sunday? These events and more are included in the Programs & Events section.

On the **Places** pages, you'll see all the spots you can explore at Gen Con, and what you'll find there. Gaming and Events happen not only in the Indiana Convention Center, but in the Stadium and surrounding hotels as well!

INTRODUCING GENEVIEVE

Meet our new mascot:
Genevieve the dragon!

She's full of ancient wisdom and will serve as your guide on your Gen Con adventure. Look for her footprints around the convention center – they'll show you where to go!

Throughout the ages, sages and wanderers have told tales of the Red Dragon, but it was only this year that her sacred name was revealed to us through the divine augury of a poll on social media.

Genevieve has a mischievous nature; she often plays a minor yet crucial role in heroic quests, showing up at just the right time with a magical gift or a mysterious clue that makes all the difference. Borne aloft on red wings, driven across the sky on bracing winds of change, entering the skyline from beyond the jagged mountaintops as if emerging from an elder world: Genevieve's appearance in your life signals a call to adventure.

Already love her as much as we do? Check out the Licensed Products page for cool new merchandise featuring Genevieve!

ROLEPLAYING GAMES

In a **Roleplaying Game (RPG)**, players portray characters in a fictional world of shared imagination, guided by a **Game Master (GM)**, who devises the setting and presents the characters with challenges they must face in order to advance the story. The possibilities are as wide as the scope of the players' imaginations; rules give the game structure, and outcomes are resolved by chance, typically by the rolling of dice.

This simple formula for shared, narrative gameplay – the GM describes a situation, the players decide how their characters will react, the outcome is decided by a structured test of chance – has been used to launch countless campaigns through an infinite variety of fictional worlds. Ask yourself where you want your imagination to take you, and you can find a roleplaying game to take you there, while bringing your friends along for the journey.

Embark on your next quest by checking out these fantastic RPG events and organizers – they all do a great job of running RPGs at Gen Con, and welcome new players who are ready for an adventure! Check out the online Event Catalog for more information and availability!

BOARD GAMES AND CARD GAMES

Board Games (BGM) and card games – including **Trading Card Games (TCG)** and **Non-Collectible Card Games (CGM)** – span many themes, mechanics, and genres. Played on boards, with cards, or with other physical components, they feature gameplay structured by rules and typically focused on resolving quantifiable victory conditions – for example, the player with the most points wins!

Board games and card games represent a huge array of tabletop gaming experiences, and different games emphasize different qualities and characteristics: some focus on competition, strategy, teamwork, manual dexterity, random chance, and the list goes on!

With so many choices, it can be hard to know where to start. Check out these awesome board and card game events (search the game title in the online Event Catalog) to explore the possibilities – play your favorites, compete against worthy adversaries, or try something new!

LARP EVENTS

Live Action Roleplaying Games (LARPs) take everything you love about your favorite RPG – interacting with a fictional world through a heroic character, collaborative storytelling, chance resolution of events – and bring it to life through immersive, live-action play!

In a LARP, you physically portray your character, generally by moving around in real space, and usually with more direct player-to-player interaction than in a traditional tabletop RPG. LARPers often (but not always) enhance their roleplaying with costumes and props.

LARP events are a great way to experience immersive roleplaying and improvisational storytelling – even if you don't have any previous experience. These groups have a history of running awesome events at Gen Con, and welcome new players who are taking their first steps away from the table and into the world of LARPing. Filter by LARP in the online Event Catalog for these great groups and more!

CHICAGO CONLARP

Chicago ConLarp is celebrating its 10th year running a live-action dungeon at Gen Con! Their events mimic classic D&D dungeon crawls, where the heroes try to overcome various obstacles – but by actually doing it! You combat monsters by hitting them with foam swords! Their events are designed for new and inexperienced players ready to try something different, and they supply everything you'll need for an excellent adventure.

DR GAMES

Join DR Games for a three-night LARP game through the World of Darkness! You can play a vampire, werewolf, changeling, or mage and they provide pre-made character sheets that are great for new and experienced players alike! Generics are always accepted, and staff are there to help new players feel comfortable with the rules and theme. Come play with them one, two, or all three nights!

space opera, from comedy to tragedy, from classic gaming settings to original worlds unlike any you've played in before! New players are always welcome, and they're ready to make your first LARP experience one for the ages!

COGG

This is the closing chapter of their three-year Urban Supernatural chronicle over the fate of San Francisco and the dark forces rising against it. Incorporating Mind's Eye Theater games Changeling, Vampire, Werewolf, and Mage, CoCG use prebuilt characters to help players quickly adapt to their role and get involved. With an ongoing player community and expert staff, they welcome new players to experience a storyline of drama, action, and mystery.

MIND'S EYE SOCIETY

The Mind's Eye Society explores the World of Darkness with a focus on compelling stories, player engagement, and inclusivity. Their Werewolf: The Apocalypse game highlights the epic struggle and personal tolls of War; Changeling: The Dreaming playtest focuses on hope in a time of overwhelming loss; and Vampire: The Masquerade showcases personal horror in a society ruled by ancient autocrats.

MEGAGAMES

Megagames are just what they sound like – games, but make it **mega**! Combining aspects of board games and LARPs, megagames often involve dozens of players weaving interconnected storylines through multiple stages of play. Each player is assigned a role (sometimes with a backstory, personality, or a secret goal), and as they play through multiple sub-games, the outcomes of their play drive the story of the larger game.

Megagames can take the form of anything from large-scale government simulations of natural disasters, to preparing for a kaiju attack, to seeing how a real-world government would react to aliens arriving on Earth! Check out these megagame organizers to learn more, and join a larger-than-life gaming experience! Check the online Event Catalog for events and availability!

VAMPIRE: THE MASQUERADE – BLOOD FEUD, A MEGA BOARD GAME

When vampires and humans clash in the night, you must use your cunning, wit, and charm to forge alliances, make enemies, and thrive under the cover of darkness. With the rise of the Second Inquisition, New York City has become more dangerous than usual. Your kinfolk will not always be around to back you up. Who do you trust and what do you tell them? Your survival hangs in the balance!

Blood Feud is like a board game, but bigger! It's the world's first Mega Board Game – a hybrid of megagames and board games! The rules are easy to learn and will be taught at the beginning of the game. Each station in this Mega Board Game plays as a complete and unique experience, but the decisions you make at your station will affect your teammates at others. No experience or materials are required, so bring your friends for an epic, unforgettable gaming experience in the Vampire the Masquerade world!

MEGAGAME COALITION

The MegaGame Coalition is a volunteer-run umbrella group of megagame organizations and independent designers from throughout North America. Collectively, the MegaGame Coalition hopes to lower the barrier to entry for first-time megagame organizers, serve as a community locus for all who are interested in megagames, and spread the hobby throughout the U.S. and Canada. Swing by the MegaGame Coalition HQ in the Stadium for more information, or to talk shop about hosting your own megagame! All are welcome!

NATIONAL SECURITY DECISION MAKING (NSDM)

NSDM is organized by retired members of the War College: the guys who plan the actual war games used to train military personnel! As such, their megagames focus on current and near-future political and global strategies.

The scenario: it's the world as you know it today. Here are the real issues. Here are some big, looming problems. Fix them. Start now. Do you feel up to the job? New countries, issues and problems in every game!

MINIATURES GAMES

Miniatures Games are some of the most visually impressive events at the convention – recreating the great battles of history, engaging in magical and fantastical combat, or waging never-ending war in the distant future – all on a tiny scale! Minis games bring the action to life with physical models, often assembled and painted in painstaking detail, and many players enhance tabletop play with modeled terrain pieces.

At Gen Con, minis games depicting battles and conflicts from the real world are categorized as **Historical Miniatures (HMN)**, while those played in fantasy or science-fiction settings are called **Non-Historical Miniatures (NMN)**.

Check out these experienced and welcoming miniatures-gaming organizers to learn more, then join in to experience epic combat on a tabletop scale! Find minis events in the online Event Catalog!

NORTHERN VIRGINIA GAMERS (NOVAG)

Northern Virginia Gamers is a miniatures and board gaming group based in the Virginia suburbs of Washington, DC. The women and men of NOVAG will be running many exciting miniatures events for their 22nd straight year at Gen Con. If you're a fan of dirty tricks, mayhem, beautifully painted miniatures and terrain, treachery, and excitement, stop by one of their events! NOVAG brings the games and teaches you the rules – you bring the fun!

OTTAWA RED SHIRTS

What could be more fun than blasting the Battlemech across the table with a particle-projection cannon, knocking him off his feet, then running up and kicking him while he's down? Welcome to Battletech! Easy to learn, tough to master; one sheet of rules and a pair of six-sided dice are just about all you need to start playing!

Their remarkable features include tabletops that are stowed in the table and double as desks, USB and AC power outlets, two different play-vault depths, and beautifully designed decoration packs that can be changed in seconds to suit your mood. All of these attributes work with their gamer-designed accessories (including cup holders, dungeon master screens, card holders, and big pads) to make this the gaming table we all have been waiting for. The Table of Ultimate Gaming allows you to play your games, your way!

COSTUME CONTEST CONTESTANT INFO

REGISTRATION

Advance registration is highly recommended. The costume contest is limited to 70 entries. If any category receives 16 entries, that category will be closed. Entries will be accepted on a first come, first entered basis. When the contest reaches capacity, a waiting list will be created. Entries on the waiting list will be admitted to the contest if a registered entry drops out or does not appear at check-in.

To register, fill out the form on the next page. This form does not register you for the convention – only the costume contest. **A valid convention badge and two generic tickets will be required when you sign in at Costume Contest Check-In. Cash will not be accepted!**

Emcee Introduction: REQUIRED! Our emcee will introduce you as you appear on stage. Write a short introduction for yourself that you would like the emcee to read. Type it or write it neatly and attach it to your entry form. This is your chance to impress the judges; include a description of the construction of your costume. This description is limited to 100 words. Gen Con reserves the right to edit material.

On-site entries: To register on site, fill out the entry form (your introduction for the emcee **must be attached** and typed or neatly written) and drop it in the "Costume Contest Entry" box located at the Information Booth (Crossroads Concourse, outside Hall D) by 9 am on Saturday. If you miss this deadline, come directly to **Costume Contest Check-In in the 500 Reception** room and staff will determine if there is room for you.

Contestant Check-In: All contestants must appear at Contest Check-In. Mailing or dropping an entry form reserves a space for you, but you are not officially registered until you appear at check-in. Contestants who do not appear at check-in (see Saturday Timetable, previous page) are considered dropped. Check-in takes about 30 minutes. Your emcee introduction is required at check-in.

COSTUME CATEGORIES

Choose a category for your costume and check it on the entry form. Gen Con may add additional categories (if the Fantasy category gets 15 ninja entries, for example, a new ninja category may be added). You won't be shifted to a different category. In a case where crossover is possible, just pick the category you prefer.

- **Superheroes / Sci Fi** (Robots, aliens, spaceship pilots, heroes, villains, etc.)
- **Fantasy / Historical** (Wizards, barbarians, pixies, mermaids, WWII soldiers, Renaissance maidens, etc.)
- **Child** (Ages 0-13, all costume types.)
- **Anime** (Any character, creature, or element from any anime source.)
- **Groups** (Teams of two or more costumers.)
- **Game Characters** (Characters from video games, board games, role-playing games, etc.)
- **Professional** (To keep the contest fair, you must enter the Professional category if you meet any of the following criteria, regardless of your age: 1. You are a past first-place winner of a Gen Con costume contest or other major costume contest within the past 5 years; 2. Your costume was constructed by a professional in the garment or costume industry, whether it was you or someone else; 3. Your costume was constructed by someone who earns the majority of their living in the construction of costumes or clothing.)
- **Pot Luck** (Anything not covered above!)

After the winners are announced in each category, they'll be brought on stage briefly for judging in the "Best of Show" category. All winners are eligible for this judging.

CONTEST BASICS

Costume entries may be simple walk-on-and-pivot displays or may involve a short presentation. Performances are limited to two minutes. You may perform your own speech, drama, song, or other skill, or you can simply model while our emcee narrates text that you provide. Either way, the emphasis of judging is on the *costumes*.

The Costume Contest will be streamed live on our Gen Con TV Twitch channel at [twitch.tv/gencontv](https://www.twitch.tv/gencontv) and made available to view on demand on Twitch and YouTube after the show.

COSTUME CONTEST ENTRY FORM

Deposit this form in the box marked "Costume Contest Entry Forms" at the Information Booth before 9 am on Saturday, August 3, or bring it directly to Costume Contest Registration.

CHARITY PARTNERS

Gen Con is proud to give back to local and larger communities through our annual charity partnerships. Since we moved to Indianapolis in 2003, you've helped us raise more than \$300,000 for charity!

This year, our partners are **Game to Grow** and **Special Olympics Indiana**. Visit their tables in the Crossroads Concourse to learn more.

Game to Grow

Game to Grow is a nonprofit organization founded in 2017 on the belief that games of all kinds have the power to improve lives. Game to Grow's weekly therapeutic social skills groups help young people become more confident, creative, and socially capable using tabletop games, most notably Dungeons & Dragons. The founders and lead facilitators Adam Davis and Adam Johns use their years of experience in therapy and education to promote social growth among youth in a fun, safe environment. They also provide training and consultation services so that other therapists, educators, and community organizers can use the beneficial power of intentional gaming in their own communities.

Learn more at www.gametogrow.org

SPECIAL OLYMPICS INDIANA

Special Olympics Indiana is a nonprofit organization that is a part of the global Special Olympics movement, using sport, health, education, and leadership programs every day around the world to end

discrimination against and empower people with intellectual disabilities. Founded in 1969, Special Olympics Indiana has grown to more than 16,000 athletes and unified partners in virtually every county throughout the state. With the support of nearly 10,000 coaches and volunteers, Special Olympics Indiana provides year-round sports training and athletic competition in more than 20 Olympic-type sports for children and adults with intellectual disabilities at no cost to the participants.

AUCTION EVENTS

CHARITY AUCTION

Saturday at 7 pm

This is one you won't want to miss! The most desirable items donated by exhibitors and collectors will be auctioned off. All proceeds go directly to our Charity Partners: **Game to Grow** and **Special Olympics Indiana**.

COLLECTIBLES AUCTION

Friday at 8 pm

The Collectibles Auction caters to rare and coveted items. Want a sneak peek? Collectibles Auction items are on display in the glass showcase ahead of time. If you're looking for a hard-to-find item or the last card to finish off your collection, this is the opportunity for you. Let the bidding commence!

All times are approximate. Check for the updated schedule posted in the auction room.

HOW IT WORKS

BUYERS

Registration: When you arrive at the auction, simply pay \$1 and you will be issued a card with your unique bidder number, good for the entire convention.

Bidding: When you see an item you want, hold your card high in the air with your number facing the stage and **keep it up** for as long as you are interested. If you hold your card up for longer than other bidders, you win! It's that easy!

Payment: You can pay for each item as you win, or open a tab for the day by purchasing \$25 of non-refundable credit towards purchases at the auction. If you open a tab, your winnings will be stored until the end of that day's session.

Consignment Store: Anyone with a valid Gen Con badge can enter and purchase items without needing to register with the auction.

SELLERS

Item Drop-Off: Consult the schedule for Auction and Consignment Store drop-off windows.

Pre-registration: All items must be registered on the auction's website (livegameauctions.com) by the Sunday before the convention.

Payouts: There are three options for receiving payment from your sold items: Any time after your item is sold through Saturday at 7 pm; On Sunday from 10 am - 2 pm; or, if you don't pick up your payout on site, a check will be mailed to you automatically.

Unsold Items: Unsold items should be picked up on Sunday from 10 am - 2 pm. All unsold items not collected by 2 pm on Sunday will be donated to charity.

Consignment Store: All items must be pre-registered and only costs \$1 plus 10% commission. You can set your price for each day to entice eager shoppers to buy your item.

- Cash
- Any major credit card

RIOT QUEST

**ARENA
MINIATURES
GAME**

**IT'S THE END OF THE WORLD
AS WE KNOW IT.
TIME TO GET PAID!**

**GOT 5 MINUTES?
LET US SHOW YOU HOW
TO GET LOADS O' LOOT!***

The dragon-dung has hit the fan in full-metal fantasyland, but there are boatloads of bodacious booty everywhere set to be snatched! The only thing you need to claim your prize is a crackerjack crew of loot hunters and a few minutes of training with one of our certified Riot Quest coaches.

Combining casual board-game play style with chaotic combat, Riot Quest is the ultimate unpredictable high-speed hobby miniatures arena-skirmish game for 2-4 players.

**Learn it fast. Play it fast.
Then play it again faster!**

* 'Game' loot, not 'real' loot! Yes, we have a pirate skull as a company logo, but we're not really pirates! No plundering outside the game, please!
