HOUSING ELIGIBILITY

- ▶ Attendees desiring rooms in the Gen Con housing block must first purchase badges through Gen Con's badge registration system. Upon purchase, Gen Con's registration system will create unique links for housing registration and activate the links when housing registration opens. The housing registration links will be located on the "My Housing" page of the Gen Con account.
- ▶ Badge *purchasers* — not badge *holders* — are eligible to request room assignments in the Gen Con housing block. The account holder who purchases the badge must request a hotel room assignment through the unique links located on the [My Housing](#) page of their Gen Con account. Only badge purchasers can request room assignments. If a badge is bought for you, you are not eligible to request a room assignment through your account.
- ▶ ROOM LIMITS
- ▶ Badge purchasers are allowed to request one hotel room for every 1-2 badges purchased.
 - ▶ 1-2 badges = 1 room
 - ▶ 3-4 badges = 2 rooms
 - ▶ 5-6 badges = 3 rooms
 - ▶ 7+ badges = etc ...

How to view all hotels in the block, even if they are not available:

- If your preferred hotel is not listed, please uncheck the Show Available Only box to display all hotels, including hotels that are not available with your booking criteria.

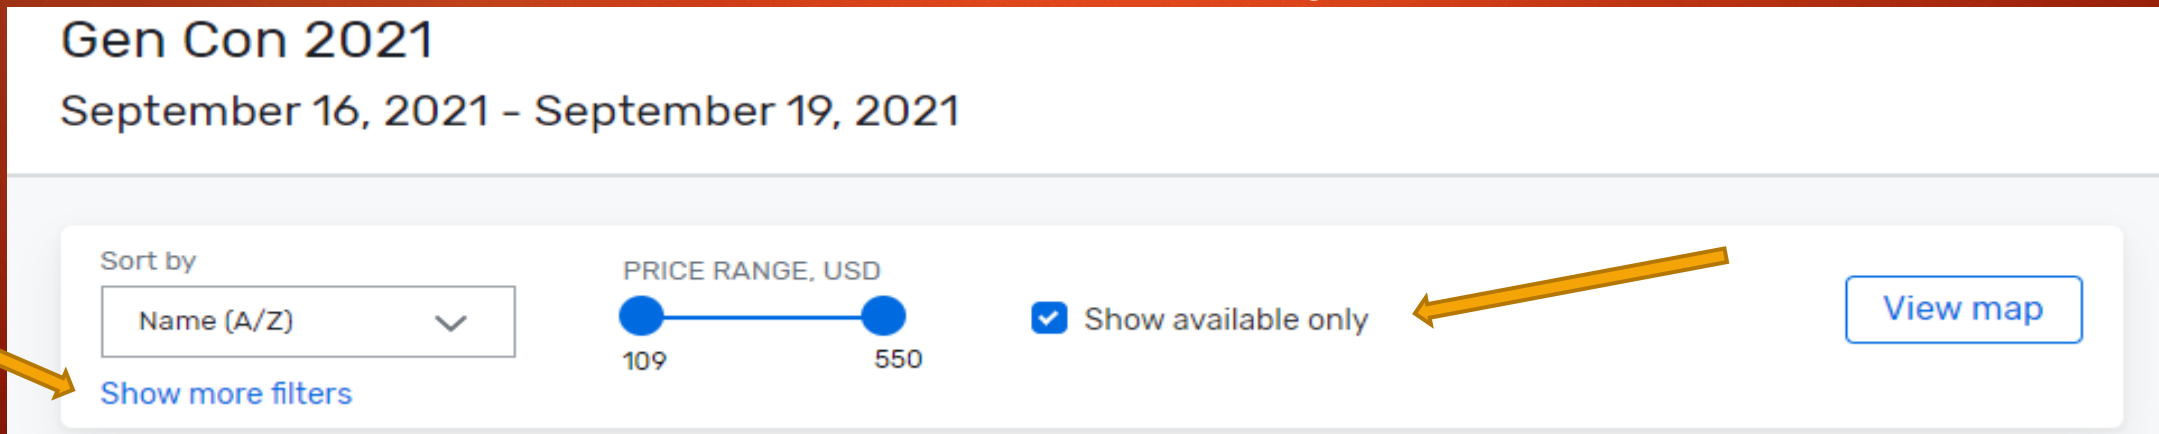

Your preferred hotel may not be listed because of one of the following reasons:

- The hotel is already sold out.
- Your dates do not meet the downtown hotels minimum night stay restrictions**.
- One or more days you have requested in the search field are no longer available.
- The room type(s) available cannot accommodate the number of guests you have entered in the search field (i.e., when you enter 4 guests per room, rooms that accommodate fewer than 4 guests will not show as available).

**MINIMUM NIGHT STAY RESTRICTIONS

- Minimum night stay restrictions are in effect for all hotels in the downtown area. Requests for hotels in the downtown area must consist of three or more consecutive dates and **must include the night of Saturday, September 18, 2021**. Minimum night stay restrictions will remain in place throughout the housing registration period. Room assignments at suburban hotels are not generally subject to minimum night stay restrictions, though some exceptions may exist.

You can also sort hotels & room types via the **Sort by** menu and/or by **Price Range**.

How to request ADA Disability-Compliant Accessible rooms

You can request an ADA disability-compliant room on the **Guest Information** page.

ADA-compliant Accessible rooms can be requested when selecting rooms within the online housing portal. Once a hotel and room have been selected for check-out the system will prompt the user to enter guest information. Guests desiring an Accessible room must select the “Accessible room” checkbox located below the guest information field, in the **Requests** box to place the request.

Important! The Accessible room checkbox should only be selected to indicate a request for an ADA-compliant room. Submit other types of special requests in the field labeled **Additional Requests** but leave the Accessible room checkbox blank unless you want an ADA Accessible room to be substituted for the standard room type you selected.

Q-rooms will review Accessible room requests and confirm availability with hotels. As Accessible room assignments are confirmed, guests will receive updated booking acknowledgments indicating change of assignment from a standard room type to Accessible room type (e.g. standard double/double to ADA double/double or Accessible double/double). If Accessible room requests exceed the capacity of the selected hotel, Q-rooms will fulfill Accessible room requests in the order requests were submitted. Q-rooms will address shortages by soliciting alternative Accessible rooms at comparable, nearby hotels and obtaining guest consent prior to changing their assignments.

Additional Requests

Lower Floor

Important! Federal ADA legislation requires all hotels to meet minimum accessibility requirements, and as such hotel location is not applicable to ADA criteria. **Requesting an Accessible room in the Gen Con housing block has no bearing on hotel location relative to the convention center. Selecting the checkbox to request an Accessible room will not change your hotel selection or assignment.**

Payment Information Page

- All room requests must be secured with a valid credit card having an expiration date later than the convention dates. Credit cards that expire before the convention ends will be rejected by the system.
- You must be an authorized user of the credit card placed on file to secure your room assignment, and you must accept the Terms of Service, which govern the cancellation fee or hotel deposit that will be charged to the credit card in connection with your assignment.
- You may change or update the credit card at any time before housing registration ends; and you may place a different card with the hotel at the time of check in if you desire to pay the remaining charges on a different credit card.
